ABOUT
RAJASTHAN
JAN AADHAAR
YOJANA

- 1.1. Rajasthan Jan Aadhaar Yojana is country's largest integrated socio-economic directory of the residents of the State, based on the ideology of **“One Number, One Card, One Identity”**.
- 1.2. Jan Aadhaar platform is also an example of paradigm shift in the field of Direct Benefit Transfers (DBT) of more than 175 Schemes and Services of public welfare delivered by the government.
- 1.3. Besides serving above two purposes, Jan Aadhaar has also been recognized as a Proof of Identity (Pol), Proof of Address (PoA) and Proof of Relationship (PoR) with the head of family (HoF).
- 1.4. Jan Aadhaar platform facilitates the department for transferring cash benefits of the schemes directly into the bank accounts of the beneficiaries and non-cash benefits through bio-metric authentication mechanism near their doorsteps.
- 1.5. To handle all the functionalities (Enrollment, Updation and On-boarding of Schemes etc.) of Jan Aadhaar database/portal, the Rajasthan Jan Aadhaar Authority has been established as an autonomous body under the Rajasthan Jan Aadhaar Authority Act, 2020 and Rajasthan Jan Aadhaar Authority Rules, 2021.

**Women
Empowerment and
Financial Inclusion
through Jan Aadhaar**

- 3.1. Female above 18 years of age is designated as the head of the family under Jan Aadhaar enrollment to provide women of the house her due place in the family.
- 3.2. Personal bank account of the Head of the Family has been made mandatory for financial inclusion.
- 3.3. All cash benefits of the family are mandatorily transferred to the bank account of the female head of the family.
- 3.4. By designating the women as Head of the Family, Jan Aadhaar provides the opportunity for the women to enter into the mainstream of banking services and gives freedom to share her opinion during all the financial decisions of the family.

4

**Single Platform for
Direct
Benefit
Transfer (DBT)
in the State**

- 4.1. Rajasthan Jan Aadhaar Authority Act, 2020 mandates all state departments to utilize information of beneficiaries from Jan Aadhaar database only and prohibits them from maintaining their own beneficiary databases.
- 4.2. The departments delivering their benefits/services through DBT portal of Rajasthan Jan Aadhaar Authority, and, need to add some of the parameters that are non-existent in Jan Aadhaar Database, are to be reversely seeded into the Jan Aadhaar database through real time integration.
- 4.3. The application platforms of the schemes are integrated with Jan Aadhaar platform and the beneficiary data is shared through APIs to transfer benefits of the departmental schemes.
- 4.4. The integration eliminates duplicity of beneficiaries at the time of benefit transfer and also enables the accurate identification of fake/ghost and ineligible beneficiaries.
- 4.5. Presently, cash benefits are being transferred directly into the bank accounts of eligible beneficiaries and non-cash benefits are being delivered at the doorsteps of beneficiaries through Aadhaar/Jan Aadhaar authentication.

- 4.6. The DBT platform of Jan Aadhaar not only provides a uniform standardized database for government departments for easy, leakage proof and transparent delivery of their services but also acts as permanent family database depository for the beneficiaries.

5

Enrollment in JAN AADHAAR

5.1. Enrollment Process

- 5.1.1. All the resident families of Rajasthan are eligible for enrolling for Jan Aadhaar. The “resident family” connotes to a family that has been living in Rajasthan for last 6 months and intends to live longer than 6 months.
- 5.1.2. Head of the family or any adult member of the family can apply for Jan Aadhaar by uploading information and the required supporting documents. The Jan Aadhaar Enrollment can be done through facility available on the website <https://janaadhaar.rajasthan.gov.in/> of Rajasthan Jan Aadhaar Authority or by visiting any e-Mitra kiosk.
- 5.1.3. The enrollment process starts with the Aadhaar authentication of the proposed head of the family and reaches completion after adding and entering requisite information pertaining to each member of the family.

- 5.2.5. Other documents as per requirement Driving license, EPIC, PAN card, Gas connection no. etc.

5.3. Aadhaar Authentication in Jan Aadhaar

- 5.3.1. Aadhaar authentication of the head of the family and all the family members (above 5 years of age) is done to ensure the Aadhaar verification of the concerned person.
- 5.3.2. The name, date of birth, gender and photograph of the concerned resident are included in his/her Jan Aadhaar from the Aadhaar database.

- 5.3.3. Aadhaar authentication in Jan Aadhaar is mandatory for the head of the family and all members above 5 years of age for any Jan Aadhaar enrolment/editing.
- 5.3.4. Members below 5 years of age get authenticated through their birth certificate (if the birth certificate is issued in Rajasthan) or Aadhaar (if the birth certificate is issued outside the state of Rajasthan).
- 5.3.5. Aadhaar authentication in Jan Aadhaar can be performed through nearest e-Mitra or the resident herself through SSO ID with the option of "Family eKYC" available on the Jan Aadhaar portal.
- 5.3.6. The process of performing Aadhaar authentication has also been illustrated through the user manual available on the Jan Aadhaar website:
(<https://janaadhaar.rajasthan.gov.in/content/raj/janaadhaar/en/downloads.html>)

5.4. Verification process

- 5.4.1. After submission of the application online, two-tier verification is done as per requirement. The two-tier verification is conducted as per below table:

Verifier Level	Verification at Rural Level	Verification at Urban Level
First Level	Village Development Officer	Commissioner/Deputy Commissioner or Executive Office of Urban Body
Second Level	Block Development Officer	Sub-division Officer

- 5.4.2. After successful verification, a 10 digit Jan Aadhaar Family Identification Number is issued.
- 5.4.3. Jan Aadhaar e-Card may also be downloaded subsequently by the enrolled family.

6

Updation of Information in JAN AADHAAR

6.1. Editing

- 6.1.1. Any modification/updation in the information of Jan Aadhaar family can be done through e-Mitra or through own SSO ID by the resident.
- 6.1.2. After seeding Jan Aadhaar number into the SSO profile, the resident is enabled to process modifications/updations in Jan Aadhaar information by clicking the Jan Aadhaar icon in the Citizen App option of the SSO profile.
- 6.1.3. Modification/updation can be done by the Head of Family/adult member through Aadhaar authentication.
- 6.1.4. Verification of modification/updation in Jan Aadhaar is done through a two-level verification process before allowing the actual updation in the system.

6.2. Split of family

- 6.2.1. The family can be split through the SPLIT functionality provided on the Jan Aadhaar portal.

- 6.2.2. The split members are provided with a new Jan Aadhaar family ID, with their member IDs remaining unaltered. Provided that, from among the split member/s, at least one member of the previous family should fulfill the conditions to be designated as the Head of the Family such as Bank details and Aadhaar number.
- 6.2.3. All the family members above 5 years of age should have completed their Aadhaar authentication in Jan Aadhaar.
- 6.2.4. Members below 5 years of age should complete their authentication through birth certificates (if the birth certificate is issued in Rajasthan) or through Aadhaar authentication (if the birth certificate is issued outside Rajasthan).

6.3. Transfer of member/s from one Jan Aadhaar family to another

- 6.3.1. Member/s can be transferred from one Jan Aadhaar family to another through the member transfer facility provided on

the Jan Aadhaar portal, provided that all members of the family above 5 years of age must have completed their Aadhaar authentication in Jan Aadhaar.

6.4. Removal of member/s

- 6.4.1. In case of death of any member in the family, the family should provide the Jan Aadhaar number of that member while applying for the death certificate, so that the name of the deceased person can be removed automatically from Jan Aadhaar.
- 6.4.2. If Jan Aadhaar number of the deceased person is not given while obtaining the death certificate then, an application needs to be submitted through e-Mitra.
- 6.4.3. Other than death, for all other cases, an online request along with the recommendation from the concerned BDO/SDO will have to be sent to the concerned District Collector for approval.

7

Updating Certificates of other Departments in Jan Aadhaar

- 7.1. **Domicile & caste certificate** cannot be updated directly in Jan Aadhaar. Domicile certificate and Caste certificate are automatically updated in Jan Aadhaar after the certificate is issued through e-Mitra services.
- 7.2. **Social Security Pension details** cannot be updated directly in Jan Aadhaar. PPO numbers in Jan Aadhaar are obtained from RajSSP services operated by the Department of Social Justice and Empowerment.
- 7.3. **Updating Annual Income** - A resident family can only submit the income of the previous financial year in Jan Aadhaar by uploading ITR or self-certified document verified by a notary. After verifications (by first and second level verifier), the family income is updated.
- 7.4. **Data of Specially Abled** is automatically updated in Jan Aadhaar through API from the application of Directorate of Specially Abled portal (DSAP) and DSAP obtains this data from Swavlamban portal of the Central Government.

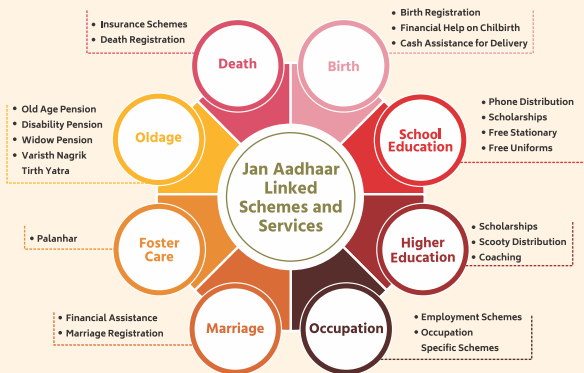

- 7.5. **Updating death, birth and marriage certificate through Pehchan portal-** As the death certificate is issued through the Pehchan Portal of Government of Rajasthan, the name of the deceased person is auto deleted from the Jan Aadhaar through API integration. The marriage and birth certificate is issued by the Pehchan portal but they are not updated in Jan Aadhaar in real time rather the residents have to upload the certificates in Jan Aadhaar to update their status.

8

**Rajasthan
Jan Aadhaar Authority's
steps towards
"One Number,
One Card,
One Identity"**

- 8.1. For the convenience of the residents, the authority is committed to integrate all the cards and numbers provided under various schemes with Jan Aadhaar portal. Taking steps in this direction, the ration card database in the state has been integrated with the Jan Aadhaar database. As a result, now in Rajasthan, Jan Aadhaar Card is also the Ration Card. Similarly, the authority is also working towards integrating other cards in the Jan Aadhaar card.
- 8.2. Jan Aadhaar platform has also been integrated with Pehchan Portal (State portal to register deaths, births and marriages) resulting in real time information of families and individuals in the State.
- 8.3. The Rajasthan Jan Aadhaar Authority is striving to integrate the EPIC data with Jan Aadhaar to enable easy identification of fake voters.
- 8.4. Identification of specially abled persons is done through the integration of DSAP application and UDID card information with Swavlamban portal.
- 8.5. Other platforms are also being integrated with Jan Aadhaar such as Labor card data, Integration of health related data etc.

- 8.6. Jan Aadhaar is the foundation of SMART (Service Management through Artificial Intelligence and Machine learning in Real Time) System which is being implemented by the Department of Information Technology and Communication.
- 8.7. SMART will implement Artificial Intelligence and Machine learning technologies on Jan Aadhaar database -
 - To identify the beneficiaries who will be eligible in the future and to calculate the exact estimated cost by using them in policy making.
 - To automatic selection of beneficiaries and automatic transfer of benefits to them.
 - To automatic verification of mandatory documents for eligibility by the system and Automatic updation of the same from the respective portals of the issuing institutions.
 - To automatic identification and Automatic segregation of ineligible and duplicate beneficiaries.
- 8.8. System based verification to ensure correct data capture and achievements with respect to the Sustainable Development Goals (SDGs) of the state.

9

Path-breaking initiatives taken by JAN AADHAAR

- 9.1. Real time integration: of departmental schemes and services with the Jan Aadhaar database has enabled the eligibility related information, getting updated automatically.
- 9.2. Aadhaar e-KYC in Jan Aadhaar: of the head of the family and all the family members is done to ensure the correctness of name, date of birth, gender and photograph and also to ensure de-duplication of enrolled members.
- 9.3. Continuous Data cleansing: regular checks for data sanctity are conducted using the advanced data analytics tools and necessary validations/checks are incorporated in the application to prevent entry of erroneous data.
- 9.4. Algorithm based Analytics: the beneficiary data available in Jan Aadhaar is cross-examined in light of other proxy datasets to identify ineligible beneficiaries of public welfare schemes.
- 9.5. Helpdesks: A physical network of Jan Aadhaar Help desks has been established at each district and block, manned by 2 government officials to resolve grievances of residents.
- 9.6. Request logger: has also been implemented, in which grievances/issues faced by residents are logged by government officials starting from the

- Block level itself and resolved within a stipulated timeline.
- 9.7. Jan Aadhaar Portal: The Jan Aadhaar portal is available for citizens to access latest information on Jan Aadhaar on various topics such as enrolment, updation, Aadhaar eKYC, grievance redressal etc.
 - 9.8. Capacity building: For capacity building of the officials, Rajasthan Jan Aadhaar Authority regularly provides training to the field level officials through physical and video conference mode.
 - 9.9. IEC activities: For awareness among the residents the Authority has conducted IEC through various channels like print media, social media and electronic media etc.
 - 9.10. The Jan Aadhaar platform has been showcased and presented to representatives from various states like Telangana and Arunachal Pradesh and they were inspired to replicate a similar platform in their states.
 - 9.11. Rajasthan Jan Aadhaar Authority was widely acknowledged by the print and digital media to allow enrolment of Transgenders under the Jan Aadhaar scheme.
