Editing in Jan Aadhaar

Editing module is used to update any of the details entered in the Jan Aadhaar or changes in the Jan Aadhaar Family. Desired documents need to be uploaded as documentary evidences for the updated details. Application will be verified based on the provided details at two levels and after successful verification details will be updated in the Jan Aadhaar Resident Data Repository. Process for Profile Edit in the Jan Aadhaar application have been described in detail hereunder.

1.1 SSO Login

Citizen can go to Jan Aadhaar Application directly through SSO login under G2C option.

1.2 Profile Edit

User need to traverse Profile Edit option. Below screen will be displayed on which Jan Aadhaar Id/Enrollment Id need to be entered to open any Jan Aadhaar family for Editing.

1.2.1 Aadhaar Auth

Popup to select adult family member for Aadhaar Authentication will be opened.

Select member for authentication

Select	Member Name	Relation with HoF

1.2.6 eSign

Below page will be displayed for eSigning the application.

The screenshot shows the eSign Service interface for RajCOMP Info Services Ltd. The top navigation bar includes the company logo and name. The main content area displays the following information:

- ASPI Name:** RUSL Stage
- Transaction ID:** JANAADHAARTEST_TRANSACTION0000057
- Organization:** RajCOMP Info Services Ltd
- Date & Time:** 19/12/2014 17:12:14

Below this information, there are two radio buttons: **Aadhaar Number** (selected) and **Virtual ID**. A text input field labeled "Enter Aadhaar Number" contains the value "xxxxxxxx4534".

A consent statement is displayed in English and Hindi. The English text reads: "I hereby state that I have no objection in authenticating myself with Aadhaar based authentication system and consent to providing my Aadhaar number/VIO/UID Token and One Time Pin (OTP)/Time-based One Time Password (TOTP) data for Aadhaar based authentication. I understand that the OTP/TOTP I provide for authentication shall be used only for authenticating my identity through the Aadhaar Authentication system and for obtaining my e-SYC through Aadhaar e-SYC service only for the purpose of signing."

Below the consent statement, there are four buttons: **Listen to consent**, **English**, **Request OTP**, and **Cancel**.

A footer message states: "Please do not press 'Submit' button once again or the 'Back' or 'Refresh' buttons."
