Decision Taken in Rajasthan Jan Aadhaar Authority First Meeting

1. Rationalization and unification of e-Mitra service charges-

- a. For services where e-Mitra service charges are borne by the concerned department/ organization/agency, e-Mitra service charges will remain same i.e. unchanged for these services as public does not have to pay any e-Mitra service charges for availing such services i.e. these services are free for public.
- b. For other services, it was decided to categorize services, and revise the e-Mitra service charges as under:

Category 1: Application type services

(Scope of service delivery will include filling of form, scanning & uploading of all supporting documents)

- | | | |
|---------------------------------|---|----------------------|
| a) G2C (Government to Citizen) | - | Rs 50/- per Service |
| b) G2B (Government to Business) | - | Rs 100/- per Service |
| c) B2C (Business to Citizen) | - | No Change |

Category 2: Collection of demand note/ fees/ dues

For amount up to Rs 2000/- ; Rs 10/- per transaction, with an increase of Rs 2/- for every additional amount of Rs 1,000

Category 3: Providing print out of certificates/documents

S. No.	Service Name	e-Mitra Rates
1	Printout of certificate/document on PVC card	Rs 30/-
2	Printout of digitally signed certificates such as bonafide, caste, solvency, minority etc. on government approved pre-printed stationery.	Rs 20/- per page
3	Providing printout on one-side A-4 sheet	Rs 10/- per page

** Above rates are inclusive of all taxes*

- c. These revised e-Mitra rates will be effective from **01st September 2020**.

Department of IT&C being the Administrative Department for e-Mitra project will continue to issue all operating guidelines and notifications for the purpose.

- d. Pension Services are created on e-Mitra platform to provide for the hassle-free service delivery, including life certification near to their residence. The service charges ensure sustenance of the access point, and are meagre compared to the expenditure which it would entail if they avail of service by approaching the concerned departmental office. Therefore, as already approved by the State Level Committee (SLC), e-Mitra service charges on such services are to be paid by the applicant. E-Mitra Plus will in any case provide a facility where person concerned can avail of service of free.
